

SERMON TOPIC: JESUS AND JIU JITSU

SERMON SUMMARY

The sermon emphasizes the importance of each member in the body of Christ, drawing parallels between the church and a Jiu Jitsu class. Just as every part of the human body is essential, every member of the church has a role to play. The pastor encourages the congregation to step out of their comfort zones, serve, and grow together as a community. The message also highlights the need for each person to reach out and teach others, fulfilling the Great Commission by making disciples and sharing the gospel.
